

FEEDING HUNGRY MINDS DELI BAR

We are introducing a new concept to our lunch time service. As of September 2018 A deli bar will be available for KS2 students to order for their lunch. The Deli bar will consist of either a baguette or a wrap. The students will have a choice of either a vegetarian filling or a meat filling, a variety of salad items will be available for the students to choose to go alongside their wrap or baguette. The dessert will be the same as the main menu.

This lunch option is self-service to give the older students independence ,more freedom of choice and provide a transition period from a primary school dining experience to a secondary school dining experience to give them confidence in a busier/larger environment.

Reception and KS1 students will be able to order the deli bar but they will be served from the counter and the salad items will be plated for them.
