Topic: RE – What do Christians believe that God is like?

Term: Spring 1

Year: 1 and 2

Duration: 6 weeks

What I already know:

Children will already know:

- In foundation, children would have encountered Christianity as part of their growing sense of self, their own community, and their place within it.
- some religious stories making connections with personal experiences.
- That Christians believe in God.
- That Christmas and Easter are important Christian celebrations.

The Powerful Knowledge we will take away from this Learning Enquiry (what will be learning):

 Making sense of belief	 Understanding the impact.	 Connecting
Identify what a parable is. Tell the story of the Lost Son from the Bible simply and recognise a link with the Christian idea of God as a forgiving Father. Give clear, simple accounts of what the story means to Christians.	Give at least two examples of a way in which Christians show their belief in God as loving and forgiving (e.g. by saying sorry, by seeing God as welcoming them back; by forgiving others). Give an example of how Christians put their beliefs into practice in worship (e.g. by saying sorry to God).	Think, talk, and ask questions about whether they can learn anything from the story for themselves, exploring different ideas. Give a reason for the ideas they have and the connections they make.

Word	Meaning
