### What I already know:

In Unit 2, I learned about 'Who is Muslim and how do they live?'. I also then explored 'What it means to belong to a faith community?'. In Unit 3, I then focused on how festivals and worship matters to Muslims. This time, I will be thinking in greater depth and drawing upon my knowledge learned in previous units. This will then lead on to when I'm in KS3, where I will explore these different views and how they impact on wider current affairs.

**A Mosque-** This is a place of worship, where Muslims pray.

One way that Muslims show their beliefs and faiths today is through **Sadaqa**. **Sadaqa** is a voluntary charitable act towards others, whether through generosity, love, compassion, or faith. These acts are not necessarily physical. Simple good deeds such as a smile, or a helping hand, are seen as acts of sadaqa.
