

Christmas Jumper Swap

Has your child outgrown their Christmas jumper from last year? Do they need a festive top for this season?

Did you know that 1 in 4 Christmas tops are thrown away or never worn again? Our Eco-Committee want to change this by hosting their annual 'Christmas Jumper' swap shop.

How it works :

- (1) On **Thursday 30th November**, your child brings in their 'old' top (clean and in good condition) and hands it to their class teacher.
- (2) The Eco-committee will organise the clothes into age groups.
- (3) Later in the day, your child will visit the 'Swap Shop' where they can select a different item to bring home.

Donations of tops will also be gratefully received - ages 4 up to small adults. Please send any extra tops in with your child.

Remember that your child can wear their 'new' Christmas top to school on :

- Friday 8th December - Christmas Market Day.
- Monday 18th December - Christmas Party Day.
