

# Grow

From April, GROW will be delivering a new and vibrant lunch service at your School.

## Welcome to your New Catering Service

### Fantastic Food

Freshly prepared, innovative, healthy, nutritious, seasonal, local, and ethically sourced.

### Wonderful People

Our team are extremely proud of the food they prepare and serve; they enjoy working with pupils and interacting with them to make lunchtimes fun.

### Great Dining Experience

It's not just the food that is important, it is the whole meal experience. Dining with friends, enjoying familiar foods, having fun and enhancing the learning experience.

### Special Days

Linked to annual events, the school curriculum, food festivals and interactive learning. Our specially themed menus add excitement to the school day. Our smoothie bike is always really popular along with Fruity Friday!

### Reception and Key Stage One

School meals are free for every pupil in the above category. The perfect opportunity for your child to enjoy dining with friends at no cost or inconvenience to you. Please remember to pre order using the Arbor App/website.

### Paid School Meals

These meals are priced at **£2.60** for a main course and a dessert. In addition, this includes freshly baked bread, a salad bar, and a refreshing fruit-infused Hydration Station. Please remember to pay and pre order using the Arbor App/website.

### The Menu

The menu runs on a three week cycle and can be viewed on the schools website. If your child has any allergies or intolerances, we can provide a special menu to suit. Please ensure you complete the online special diets request form.
