

# Pupil premium strategy statement – Preston Primary School

This statement details our school's use of pupil premium funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the outcomes for disadvantaged pupils last academic year.

## School overview

Detail	Data
Number of pupils in school	325
Proportion (%) of pupil premium eligible pupils	15.6%
Academic year/years that our current pupil premium strategy plan covers ( <b>3-year plans are recommended – you must still publish an updated statement each academic year</b> )	2023/2024, <b>2024/2025</b> and 2025/2026
Date this statement was published	November 2024
Date on which it will be reviewed	November 2025
Statement authorised by	Mrs Melissa Oliver Headteacher
Pupil premium lead	Ms Jane Stead SENDCO and Pastoral Lead
Governor / Trustee lead	Keeleigh Treleaven

## Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£86,470
Pupil premium funding carried forward from previous years <i>(enter £0 if not applicable)</i>	£0
<b>Total budget for this academic year</b> <i>If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year</i>	£86,470

# Part A: Pupil premium strategy plan

## Statement of intent

Our intention is that all pupils, irrespective of their background or the challenges they face, make good progress and achieve higher attainment across all subject areas. The focus of our pupil premium strategy is to support disadvantaged pupils to achieve that goal, including progress for those who are already high attainers. Each and every child is precious to us, and we are determined that no child will be left behind.

High quality teaching is at the heart of our approach, with a focus on areas in which disadvantaged pupils require the most support. This is proven to have the greatest impact on closing the disadvantage attainment gap and at the same time will benefit the non-disadvantaged pupils in our school. Implicit in the intended outcomes detailed below, is the intention that non-disadvantaged pupils' attainment will be sustained and improved alongside progress for their disadvantage peers.

Our approach will be responsive to common challenges and individual needs, rooted in robust diagnostic assessment, not assumptions about the impact of disadvantage. The approaches we have adopted complement each other to help pupils excel. To ensure they are effective we will:

- ensure disadvantaged pupils are challenged in the work that they're set.
- act early to intervene at the point need is identified.
- adopt a whole school approach in which all staff take responsibility for disadvantaged pupils' outcomes and raise expectations of what they can achieve.

## Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1. Oracy	66% of our disadvantaged children have poorer <b>oracy skills</b> on entry, including limited vocabulary, affecting their spoken language, comprehension and, later, their reading and writing skills. This also hampers accessing wider knowledge. 27% of our disadvantaged children are SEND with their main area of need being communication and interaction.

2. Writing	Some of our disadvantaged pupils struggle with <b>written tasks</b> and find sustained pieces of writing challenging. Our curriculum is allowing us to challenge these mindsets, although writing outcomes are lower across the school than other subjects.
3. SEMH	28% of children have <b>social, emotional and mental health (SEMH)</b> needs and at times these can negatively affect their learning. 40% of our disadvantaged children have received ELSA support already this year. 10% of disadvantaged children have SEND with SEMH as their area of need.
4. Limited opportunities outside school	20% of children can find a sustained attention for learning challenging and have more <b>limited opportunities</b> for learning outside of school. These need to be provided by school and all opportunities to broaden horizons need to be maximised. (EHCP and T and P)
5. Attendance	Our pupil premium attendance data is 2% less than the national average for disadvantaged at 93.5%. 21.7% of our disadvantaged pupils have been 'persistently absent' compared to 14% who are not disadvantaged. There has been an increase in pupils and families with school avoidance in the last year.

## Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
<ul style="list-style-type: none"> <li><b>Improved oracy</b> skills and vocabulary among disadvantaged pupils.</li> </ul>	<ul style="list-style-type: none"> <li>Speech link programme demonstrates improved language skills in EYFS.</li> <li>NELI intervention programme in EYFS demonstrates improved language.</li> <li>Our reading and writing curriculum ensures that by the time children reach Y6 all children are mostly at the expected standard, including those on our SEND register</li> <li>PP children are read with daily, prioritised by class teachers and TA's.</li> <li>Vocabulary is explicitly taught through quality first teaching and is planned for by class teachers in all subjects.</li> <li>All classes use a model for retrieving prior vocabulary and new vocabulary across the wider curriculum.</li> <li>Improved Trust Speech and Language Therapist</li> </ul>
<ul style="list-style-type: none"> <li><b>Improved writing</b> attainment for disadvantaged pupils in all year groups.</li> </ul>	<ul style="list-style-type: none"> <li>The percentage of our disadvantaged children achieving the expected standard in writing will increase by 20%.</li> <li>Writing is modelled at all stages and children feel confident with the different stages of writing.</li> </ul>

	<ul style="list-style-type: none"> <li>• Composition of writing is supported through adult-led guided groups, so writing is modelled and scaffolded before moving on to independent writing.</li> <li>• Develop positive attitudes of writing by selecting teaching texts and outcomes that are aligned with disadvantaged pupils' interests.</li> <li>• All classes are using retrieval practice of taught grammar and punctuation skills.</li> <li>• Tier 2 and 3 vocabulary is visible on working walls and word mats, and they are being used effectively to support with word choices and idea generation.</li> </ul>
<ul style="list-style-type: none"> <li>• <b>High quality care</b> through SEMH support is ensuring excellent wellbeing and readiness for learning</li> </ul>	<ul style="list-style-type: none"> <li>• Pupil outcomes have improved in all areas (academically, socially, emotionally, culturally).</li> <li>• Pastoral support is well matched to individual need.</li> <li>• Our school will achieve Trauma informed accreditation ensuring all staff understand the importance of highly effective relational awareness and good mental health.</li> </ul>
<ul style="list-style-type: none"> <li>• <b>Enrichment opportunities</b> are providing pupils with the skills and knowledge to become more successful learners, preparing them for the future.</li> </ul>	<ul style="list-style-type: none"> <li>• Disadvantaged children are chosen for pupil leadership roles to encourage a sense of belonging and improve confidence and personal character.</li> <li>• All disadvantaged pupils attend residentials, which are partly funded by the school.</li> <li>• The school seeks meaningful opportunities to broaden pupils' horizons e.g. visiting authors, visiting local libraries, and innovative subject days at our local Secondary schools</li> <li>• Disadvantaged pupils to attend Connect games and opportunities across the Trust.</li> </ul>
<ul style="list-style-type: none"> <li>• <b>Parent/carer partnerships</b> are strong and parents are increasingly able to support their children's wellbeing and learning.</li> </ul>	<ul style="list-style-type: none"> <li>• Improve attendance of disadvantaged pupils to 95%.</li> <li>• All staff have a shared responsibility to improve attendance.</li> <li>• Prioritise parent meetings and workshops for children with insufficient resources.</li> <li>• Continue to ensure all parents take part in learning enquiry outcomes where parents have the opportunity to share learning, journals and other engaging outcomes.</li> </ul>

## Activity in this academic year

This details how we intend to spend our pupil premium funding **this academic year** to address the challenges listed above.

### Teaching (for example, CPD, recruitment and retention)

Budgeted cost: [£30,000]

Activity	Evidence that supports this approach	Challenge number(s) addressed
Use of speech link, NELI and other oracy strategies to develop communication skills in the Early Years and KS1	Early Reading framework – Section 2: developing Talk and Appendix 2 EEF – <a href="#">Oral Language Interventions</a>	1
To develop our spoken language curriculum making explicit links between writing and spoken language.	Early Reading framework – Section 2: developing Talk and Appendix 2 EEF – <a href="#">Oral Language Interventions</a>	1, 2
Deliver impactful and bespoke nurture sessions through ELSA that allow pupils to develop strategies around social skills, self-regulation and self-expression.	EEF social and emotional learning <a href="https://educationendowmentfoundation.org.uk/education-evidence/evidence-reviews/social-and-emotional-learning">https://educationendowmentfoundation.org.uk/education-evidence/evidence-reviews/social-and-emotional-learning</a>	3
Provide extended opportunities for pupils, ensuring all disadvantaged pupils have wider opportunities to take part in art,	EEF social and emotional learning <a href="https://educationendowmentfoundation.org.uk/education-evidence/evidence-reviews/social-and-emotional-learning">https://educationendowmentfoundation.org.uk/education-evidence/evidence-reviews/social-and-emotional-learning</a>	3, 4

sports, music clubs		
---------------------	--	--

## Targeted academic support (for example, tutoring, one-to-one support, structured interventions)

Budgeted cost: [£25,000]

Activity	Evidence that supports this approach	Challenge number(s) addressed
1:1 speech language intervention with HLTA in EYFS	Early Reading framework – Section 2: developing Talk and Appendix 2 EEF – <a href="#">Oral Language Interventions</a>	1
NELI small group intervention in EYFS	Early Reading framework – Section 2: developing Talk and Appendix 2 EEF – <a href="#">Oral Language Interventions</a>	1
ELSA small group intervention across the school	EEF social and emotional learning <a href="https://educationendowmentfoundation.org.uk/education-evidence/evidence-reviews/social-and-emotional-learning">https://educationendowmentfoundation.org.uk/education-evidence/evidence-reviews/social-and-emotional-learning</a>	3
Teachers prioritise guided group writing for most disadvantaged pupils for the composition of writing so writing can be well-modelled and supported.	EEF Improving Literacy at KS1 and KS2 <a href="#">Improving Literacy in Key Stage 1   EEF</a> <a href="#">Improving Literacy in Key Stage 2   EEF</a>	2
Targeted provision maps for specific disadvantaged children who are SEND.	Special educational needs in mainstream <a href="#">Special Educational Needs in Mainstream Schools   EEF</a>	1, 2, 5

## Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: [£ 31,470]

Activity	Evidence that supports this approach	Challenge number(s) addressed

SENDCo/pastoral team to support disadvantaged families with parenting advice, individual pupil support and referrals for escalated support. Attendance champion to attend unit leader meetings to provide analysis for children in units.	EEF – <a href="#">parental engagement</a>	5
Nurture 1:1 support for CLA pupils to ensure bespoke interventions and programmes.	EEF – <a href="#">behaviour interventions</a>	3
Breakfast club/afterschool club when required to ensure a soft start regulation time/to support disadvantaged families.	EEF – <a href="#">Magic Breakfast Club</a>	3, 4
55% of funded residentials and 20% other trips and visits.	EEF – <a href="#">wider opportunities</a>	4

**Total budgeted cost: £ [30,000 + 25,000 +31,470 = 86,470]**

## Part B: Review of the previous academic year 2023/24

Findings related to our disadvantaged pupils for 2023/24 were as follows:

### 2023/2024 Whole school outcomes for Disadvantaged pupils

Oracy – teachers are explicitly teaching tier 2 and 3 words across the curriculum. In maths teachers are using the explore task and guided practice to effectively develop talk and collaboration in pairs and small groups.

93% of children in Foundation reached an expected level of development in speaking by the end of EYFS. This is a 26% increase from entry data. Some of the most disadvantaged children took part in NELI and 83% of disadvantaged children made improvements in expressive vocabulary, listening comprehension, receptive vocabulary and sentence repetition.

Phonics – 100% of disadvantaged pupils passed phonics screening in 2024 compared with 88% of other children. 75% of disadvantaged pupils passed phonics in 2023 compared with 97% and 50% of disadvantaged pupils passed phonics in 2022 compared with 84%.

Maths – on entry to reception in 2024 fewer of our disadvantaged children arrived below age-related expectations in Maths compared with 2023. At the end of KS2 in 2024, there was a 42% disadvantaged gap which is slightly above national average for disadvantaged pupils. In other year groups however the pupil premium gap has been reduced in 2024 compared to 2023.

SEMH – ELSA intervention support is prioritised so many of our children stay regulated so they can access learning. Five additional teaching assistants were ELSA trained in 2023-24, making a total ELSA team of eight. During 2023-24 our investment in ELSA had enabled 134 children to receive ELSA intervention under our universal offer (42% of whole school) Of those 134 pupils 27% were disadvantaged. 53% of our disadvantaged children received ELSA across the academic year 2023-24.

All ELSA trained practitioners access educational psychologist supervision termly. ELSA space has been reviewed and has worked well in the innovation lounge. We have started to explore the value of puppet role play and sand tray intervention. Our SEMH lead and one teaching assistant completed 'healing together' two-day training that targeted intervention support for children who have experienced domestic violence.

A pastoral worker whose key role is attendance, has been working closely with our Safeguarding Lead and they are Preston's attendance champions. They are working closely with families, offering support to encourage and improve children's attendance. Our pastoral worker engages with families at the start and end of each day and engages with parents through regular check in meetings. This has had a positive impact on our families and has built positive relationships. The attendance champions meet with the local authority attendance improvement officer (AIO) termly to review targets and actions set at previous meetings.

Our pastoral worker provides weekly monitoring of persistent attendance using Arbor reports and monitoring spreadsheet to keep ahead of low absence within our school. The pastoral worker creates case studies for persistent absences and these are discussed with the local authority AIO. The AIO has attended and continues to attend parent meetings about attendance to provide additional support for the school.

## Externally provided programmes

*Please include the names of any non-DfE programmes that you used your pupil premium to fund in the previous academic year.*

Programme	Provider
N/A	

## Further information (optional)

*Use this space to provide any further information about your pupil premium strategy. For example, about your strategy planning, implementation and evaluation, or other activity that you are delivering to support disadvantaged pupils that is not dependent on pupil premium funding.*
