

Welcome back to the Spring term, we wish everybody a very happy new year ahead! Here is an outline of the learning that will be taking place over the next half term.

Learning Experience - Literacy and Art

The children will become artists and poets, based upon the discovery of a huge dragon egg within our school grounds. Using their imaginations, they will each create their own version of the mysterious dragon (using the book *Tell Me a Dragon* as descriptive inspiration) and create their own poetry and artwork. Their final pieces of work will be displayed within an exhibition in the school hall on Thursday 8th February at 2:45 pm.

- Write a short story about an adventure with your own dragon - Where would you go, what do you do?
- Bring in a poem you like to share with the class.

Our School Values

Independence: Having to independently plan and write their artwork and poetry.

Creativity: Children will be required to use skills that they are not used to using, such as using their imagination to create original ideas in both their artwork and poetry.

If you have any questions or would like to discuss your child's learning further, please do not hesitate to contact us via the home school link book or pop and see us at the door where a further meeting can be arranged if required.
