...but what exactly is FOPPS?!

Friends of Preston Primary School (FOPPS) is a parent-teacher-friend association helping to build a brilliant school community to give our children the best school experience.

Making Memories

Remember the school discos, the Christmas and Summer fairs or the pantomime outings? Well, it's the parent-teacher-friend association that helps to bring these magical experiences alive that we all remember years later.

Making money

We also fundraise to help with those little extras that make the school an even better place to be: the extra books in the library, the treats the children come home with at Christmas and Easter, contributing to the new AstroTurf and, who could forget, the Year 6 Leavers' jumpers. So, do support our efforts where you can by buying raffle tickets and taking part in activities.

FOPPS is committed to being an inclusive association that strives to be eco-friendly.

Here's what we're up to...

Provided the Christmas Crackers for the children's Christmas lunch

Provided a Christmas treat for each child to take home

Asked Father Christmas to record a video for the younger children

Organised the Christmas Raffle to raise funds

What's coming up...

Join us on Thursday 13th January 2022, 8pm, for a planning meeting on the year ahead. Venue TBC - look out for it on Facebook or via the school text.
